USA medalists: 4th-most of any nation

Distinct medallists by nation (top 10)

Only 23 women on the planet have won a WTCS or Olympic medal in 4 years and the USA has 3 of them, tied for the 3rd-most of any nation. The men’s side tells a similar story with only 25 men obtaining medals at the highest level, with the USA claiming two of those athletes

USA's proven medallists (WTCS + Olympic)

USA medallist	Medals	Last WTCS medal
Taylor Knibb (W)	4	May 2024
Taylor Spivey (W)	3	Sep 2025
Summer Rappaport (W)	1	Jun 2023
Morgan Pearson (M)	2	May 2024
John Reed (M)	1	Sep 2025

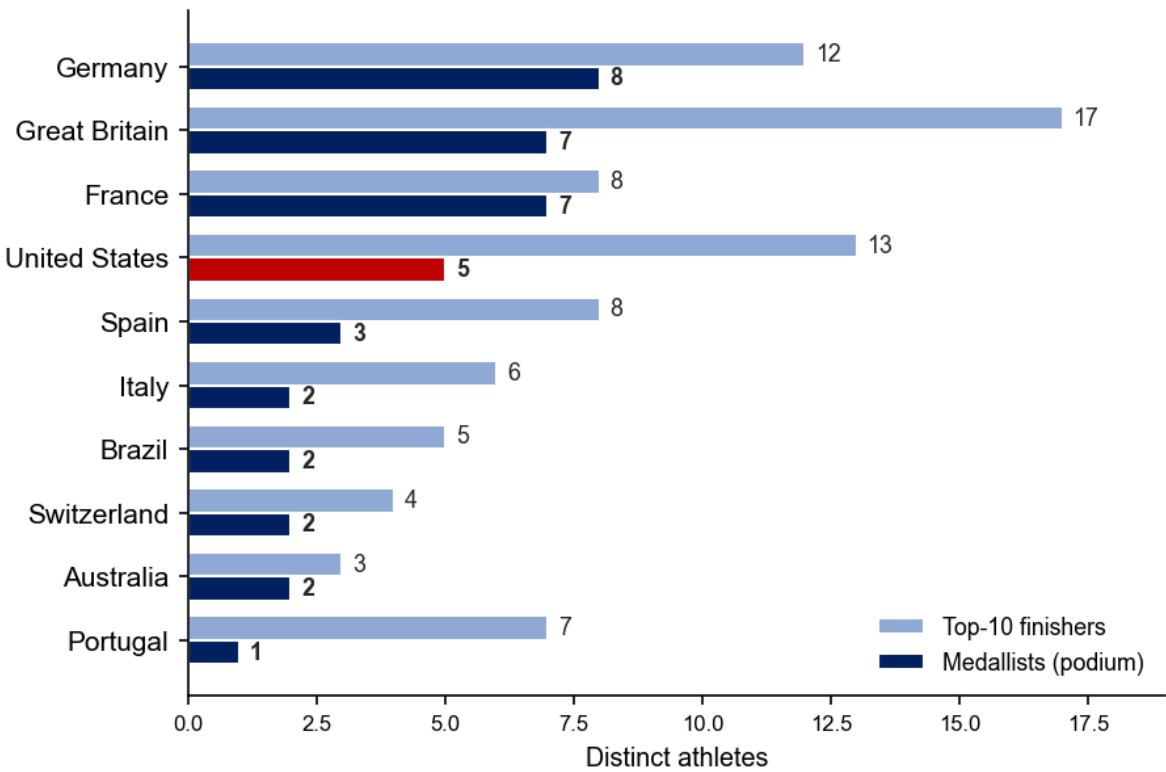

MAJORS = World Triathlon Championship Series/Finals rounds + individual Olympic medals (Elite Men/Women). Excludes Mixed Relay (team), T100, and regional/distance championships. Source: World Triathlon results database.

Top 10 Finishes by Nation

USA has the 2nd-deepest pool of top-10 athletes in the world
