WORLD TRIATHLON

Greetings and a warm welcome to the 2026 World Triathlon Cup Edmonton,

It is with great pleasure that we return to this beautiful city, one that enjoys a long tradition of delivering first-class triathlon events. It is always a thrill to hold races in this iconic city, and we will never forget the incredible Grand Finals in 2021, when the Olympic Champions Kristian Blummenfelt and Flora Duffy went on to win the world titles here.

This edition will see four days of events, with an impressive programme that offers something for everyone, from seasoned world triathletes to newcomers. I hope all the participants will also be sure to enjoy the elite racing and show your appreciation for some of the world's finest athletes as they battle for the medals and LA28 Olympic qualification points, both in the individual and Mixed Relay races.

It is precisely these kind of events that showcase the best of swim, bike and run in all its forms, where our very special community shines brightest, and triathlon is able to continue to grow and reach new audiences and fans.

So my sincere thanks go to the Local Organising Committee, and the city and people of Edmonton for their commitment and hard work in staging this event. To the officials and volunteers, your dedication is invaluable and deeply appreciated by us all. To every athlete, I wish you the very best of luck in achieving your goals over the coming days.

Yours in sport,

Antonio F. Arimany

World Triathlon President

TRIATHLON CANADA

Dear Athletes,

On behalf of the Triathlon Canada community, I would like to welcome you back to the beautiful province of Alberta and world-class city of Edmonton. As Canadians, it's in our nature to swim, bike and run at an early age. Our wide-open spaces and big water are made for it. This certainly holds true in Edmonton – a place renowned for staging some of the best triathlons in the world.

Triathlon Canada supports athletes in their drive to reach the Olympic and Paralympic podium, but we also hope to inspire any Canadians who simply want to discover what they're really made of.

As a result, the Edmonton stop on the international triathlon calendar is an important one for all of us connected by a drive to defy our limits, and a shared passion for the simple acts of swimming, cycling and running. We are thrilled to host you for the 2026 World Triathlon Cup race. With the LA 2028 now in sight, many of you are starting the exciting journey of reaching for the pinnacle of our sport in Los Angeles. For others it may be part of a longer journey looking beyond to 2032, and for some it is to simply test your limits while enjoying our sport.

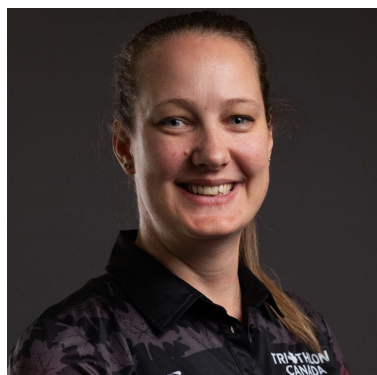

Regardless of where your start line is this week, William Hawrelak Park has been newly renovated in preparation for the 2027 World Triathlon Multisport Championships Edmonton. You will be the first to test the revitalized course at this iconic triathlon venue that has hosted our sport for many years. Working with our partners at the DoNorthEvents, Edmonton will once again showcase all facets of our sport in what promises to be another world-class week of sportsmanship and competition: from our passionate age group athletes who are at the heart of the Triathlon Canada Nation, to our best battling it out for world titles.

It should not be overlooked the impact of having the world's best triathletes in our backyard has on the development of our sport in Canada. This race has captured the imagination of many young Canadians over the years to chase a dream of being Olympic and Paralympic triathletes...some of those kids will continue that journey wearing the Canadian uniform this week.

Of course, none of this is possible without the gracious support of the corporate community, coaches, technical officials, volunteers and the enthusiastic fans that fill William Hawrelak Park each year. I hope you will join me in thanking them this weekend at the race site, or while exploring the city.

To all of the athletes joining us I wish you the very best of luck!

Yours in sport,

Rachel Macatee
Interim Chief Executive Officer
Triathlon Canada

OFFICE OF THE MAYOR
CITY OF EDMONTON

World Triathlon
Cup
EDMONTON
2026

CITY OF EDMONTON

On behalf of the City of Edmonton, it is my absolute pleasure to welcome you to the World Triathlon Cup. We are excited to host the world's best athletes for both the Sprint and Mixed Relay events.

We are incredibly honoured to serve as the backdrop for your extraordinary display of athleticism and determination. Edmonton is proud to be Canada's leading triathlon city, with a deep-rooted history of hosting world-class events and a community that passionately celebrates sport.

To the elite athletes who have traveled from across the globe: your dedication is inspiring, and we are thrilled to witness your talent firsthand on our courses.

While your primary focus will rightfully be on the fierce competition ahead, I hope you find moments to experience our vibrant culture, explore our scenic river valley, and enjoy the warm hospitality of our community.

You have trained rigorously to reach this prestigious stage. May you achieve your personal bests, push your limits, and take home unforgettable memories of your time in our city.

Best of luck on race day!

Sincerely,

Andrew Knack
Mayor, City of Edmonton

GENERAL INFORMATION

USEFUL CONTACT INFORMATION

The purpose of the Athlete Guide is to ensure that Athletes are well informed of information regarding the 2026 World Triathlon Cup Edmonton. Please keep in mind that some information may change and the final race information will be provided at the Athletes' briefing.

You are encouraged to ask technical questions regarding your race during the mandatory pre race briefing where the World Triathlon Technical Delegate (TD) will inform you on all race procedures, course maps and race specific situations.

The pre race briefing for the individual and mixed relay events will be held on **Friday July 17 at 16:00** at the Heritage Amphitheatre.

All information can also be found on our website at:

<https://events.triathlon.org/2026-world-triathlon-cup-edmonton>

General contact : athletes@donorthevents.ca or the TD for technical questions (see emails on the next page).

REGISTRATION

National Federations will register their athletes, coaches and medical staff using the World Triathlon online system.

ACCREDITATION

Athletes, coaches and team medical will pick up their accreditation on Friday July 17th at Hawrelak Park during the Elite Briefing & Coaches meeting. All accreditation requests for sport delegations must be submitted through their National Federations via the World Triathlon Entry System.

VISAS

You will find the document(s) you need to travel to Canada by using [this link](#). Most competitors will require either a Visitors Visa or an Electronic Travel Authorization. The entry document that you will need depends on:

- The type of travel document you plan to travel with;
- The country that issued your travel document;
- Your nationality;
- Your method of travel to Canada for this trip.

[Find out if you need a visitor visa or an ETA.](#)

If you require a written letter to assist with your Visa application, please contact Triathlon Canada : ella.calder@triathloncanada.com

PUBLIC TRANSPORT

Visitors to Edmonton can easily explore the city using the Edmonton Transit Service (ETS) LRT and bus network. The system connects key destinations across the city, including downtown, major attractions, shopping areas, and event venues. LRT stations offer convenient access with frequent service, while buses provide connections throughout Edmonton's neighbourhoods. Visitors can pay fares using the Arc card system, mobile payment options, or cash, making public transit a convenient and affordable way to experience the city.

TAXI SERVICES

Yellow Cab Company : Phone : 780-462-3456

Uber : This service is available in Edmonton, however you need to register online at <https://www.uber.com>

AIRPORT TRANSPORTATION

World Triathlon
Cup
EDMONTON
2026

Transport is only from the Airport to The Westin and The Westin to the Airport.

The LOC will provide transportation for athletes accredited coaches/team medical along with their bikes, between the airport and the official Host Hotel, and back to the airport from Wednesday July 15th to Monday July 20th. If the athlete or coach decides to stay outside of the Host Hotel or, if the duration of their stay extends outside the dates above, we will not provide transportation and no transportation fees will be reimbursed either.

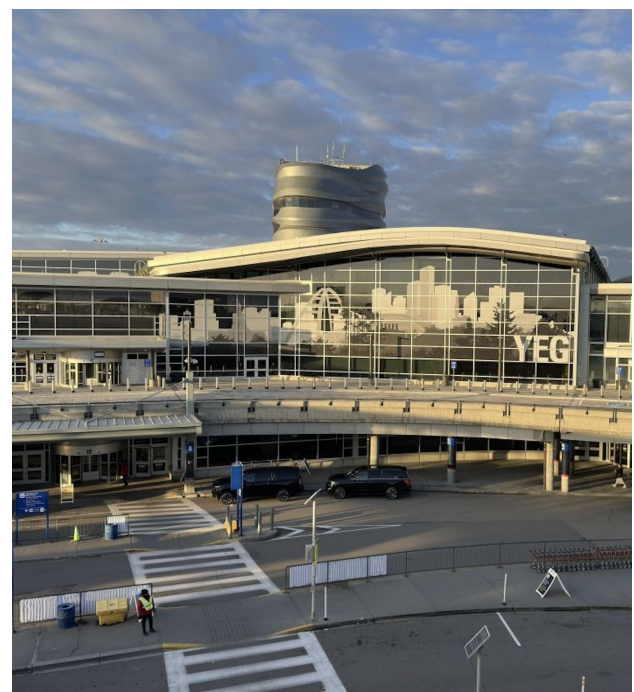

ARRIVAL

We must receive the details of the location by July 5, 2026 in order to plan transportation. Make sure you fill [this form](#). Please notify us of your flight itinerary and check-in and check-out dates as soon as possible, but no less than two (2) weeks prior to your arrival in Edmonton, by filling out this form in order to coordinate transportation. If we do not receive the information by July 5, 2026, we cannot guarantee transportation from the airport and fees may apply.

DEPARTURE

Departures will be from the Westin Hotel. Please ensure you have submitted the following form for transportation to/from the airport.

CONTACT LOC Athletes' Transportation
Email : athletes@donorthevents.ca

VENUE TRANSPORTATION

World Triathlon
Cup
EDMONTON
2026

The LOC will provide free transportation for athletes and coaches along with their bikes, between the official Host Hotel and the venue for the Familiarisations and on Race Day. If the athlete or coach decides to stay outside of the Host Hotel, we do not provide transportation and individuals are responsible for their own transportation and associated costs.

A form will be provided for transportation services.

Swim warm up before the race will be available on the course from 13:30 to 14:15 for Elite Mixed Relay.

START AREA

The athletes will gather in the swim start area ten (10) minutes before the start of their race for the Teams' Introduction. Athletes A will then be directed to the start platform.

BIKE COURSE (6.8KM)

One (1) lap of 6.8km

- Team Wheel station
- Neutral Wheel station

TRANSITION Transition area

WHEEL STATIONS

TEAM WHEEL STATION

Team Wheel will be checked in at registration/bike check. After that operation, coaches will be able to bring the wheels directly to the Team Wheel station which is on the left after exiting transition, just beside the Athletes' lounge.

NEUTRAL WHEEL STATION

Neutral Wheel Station is located at the junction of the triangular shape on the bike course. See the map on the previous page. The station will be accessible from both sides on the course.

The wheels available at the neutral wheel station are :

- 2x 700 c front wheels, 160 mm rotor disc brake;
- 2x 700 c front wheels, 140 mm rotor disc brake;
- 2x 700 c rear wheels with 11-speed cassette, 160 mm rotor disc brake;
- 2x 700 c rear wheels with 11-speed cassette, 140 mm rotor disc brake;
- 2x 700 c rear wheels with 12-speed cassette, 160 mm rotor disc brake;
- 2x 700 c rear wheels with 12-speed cassette, 140 mm rotor disc brake.

The wheels will be fitted with 28mm tires at a pressure of 65 psi front and 70 psi rear both in wet or dry road conditions.

United Sport & Cycle is the 2026 World Triathlon Cup Edmonton exclusive bike repair provider.

RUN COURSE (1.8KM)

Two (2) laps of 900m clockwise = 1.8km

The run lap will be next to the finish area. After the 2nd lap, Athletes A, B and C go to the relay zone at left. Athlete D goes to the finish line at right.

 Aid station  Penalty Box

AID STATION

There is an aid station on the left side of the run course. Athletes will therefore pass by the aid station two (2) times during the run.

That being said, sealed water bottles will be accessed at :

- 300 m
- 1200 m

LITTERING ZONES

There will be a Littering zone at the Aid Station and Wheel Station. In addition to the Start and End signs, the Littering zones will be marked on the ground with green tape for the start and red tape for the end. Time penalties apply for non-compliance with Littering zones.

PENALTY BOX

The Run Penalty Box is located on the left side of the path, 150m before the Relay zone. It will be passed on each run lap. See the exact position on the map on the previous page.

RELAY ZONE

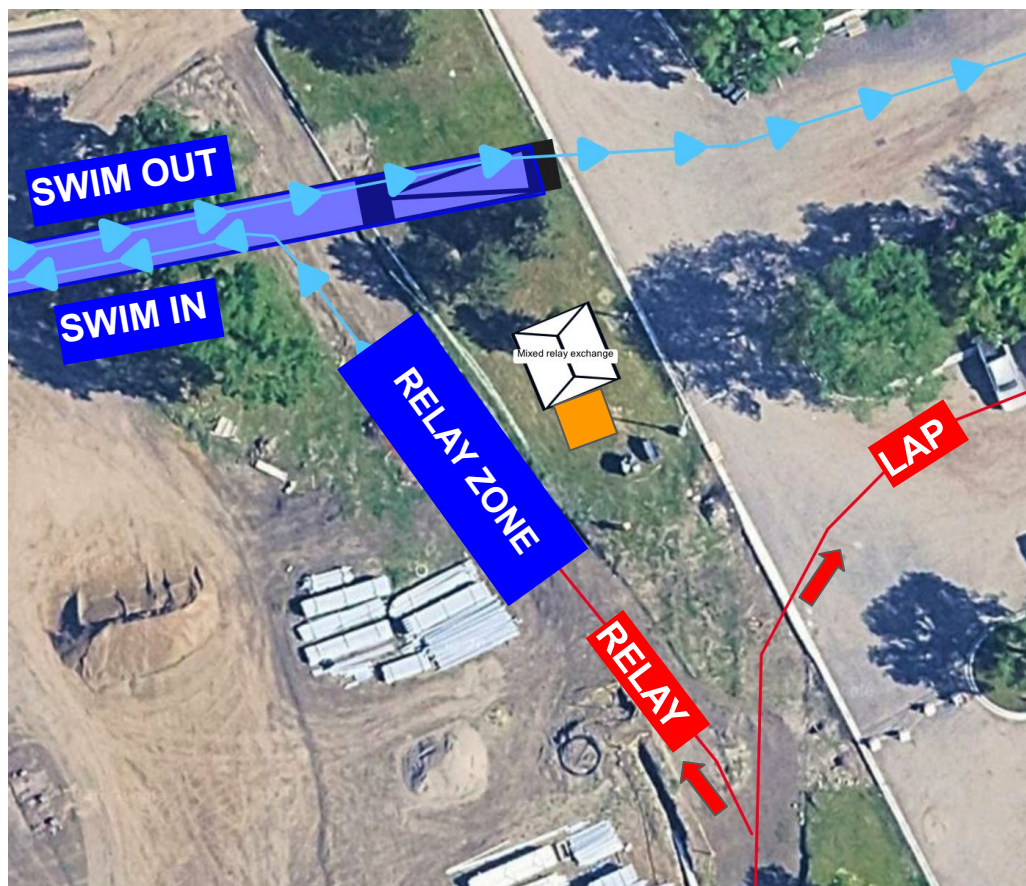

The relay takes place in the Relay zone. The incoming athlete arrives from behind.

MIXED RELAY TENT

Sealed water bottles and electrolytes will be available in the relay tent. Team equipment must be left into the box corresponding to their team number. All boxes will be transferred to the Athletes' Lounge at the end of the event. The flow to get there is by passing by the transition zone. Follow the instructions of the technical officials as the race will be underway.

The timing chips for Athletes B, C, and D will be distributed by the technical officials under the popup tent beside the relay zone. Athlete A timing chip will be distributed at team check-in in the Athletes' Lounge.

The first three teams are allowed to come behind the finish line area to welcome their last athlete. Follow the instructions of the technical officials.
